Privacy agreement

By using the website, you agree with this Privacy Notice and agree with the manner in which information can be collected and used by Workero.

Data collection

We must ask for certain pieces of personal information when you register through bias of LinkedIn, in order to ensure the proper functioning of your account. This data is kept in a database. The data are managed by Workero and under no circumstances will they be shared with third parties. The database contains the following information: first and last name, company name, e-mail, telephone number, skills, current job and past experiences. We may consult these data to contact you. When you contact us, we may add comments regarding this contact to your contact file. This allows us to offer quality customer service more efficiently.

Payment processing

Your personal information can be shared with a payment processor, such as Stripe, to process credit card transactions in a safe and secure manner.

Google Analytics & Cookies

This website uses Google Analytics, a website analytics service provided by Google Inc. ("Google"). Google Analytics uses cookies to analyze how users use the website.

The information generated by the cookies about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google uses this information to track how you use the website, compile reports for website operators and to provide other services relating to website activity and internet usage. Google may also transfer this information to third parties if Google is legally required to do so, or to third parties that process the information on Google's behalf. Google will not link your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings in your browser. However, this may limit you from using all the features of this website. By using this website, you consent to the processing of your personal data by Google in this manner and for the purposes set out above. Google Analytics is not used within the Workero application itself.
